Related material

ARC 1546 is an album of letters of Henry S. Grew, written from China and Manila, 1855-1862. Filed in the Archives are transcribed notes from a Grew family Bible, made by Frank Sypher; the Bible itself is not in the Library's collection; presumably it is still in the family of descendants of Jane Nichols Page.

[Descriptions](#) of additional material related to the Wigglesworth, Grew, and Goddard families are available in CORSAIR. For related material on specific family members, search CORSAIR for the relevant names.
