**ADMINISTRATIVE INFORMATION**

**Processing information**

This collection requires further processing. It was housed in original order in flat document boxes by the Morgan Library sometime in the 1980s, at which time section and folder numbers were assigned and a rough contents list prepared. In 2002 the collection was re-housed in upright boxes but the old folder numbers were retained for the time being. When further processing is undertaken, new folder numbers may be assigned.

**Provenance**

Gift of Mabel Ingalls and the van Heerden family over several years, 1980s-90s.

**Accessibility**

The collection is open for research by appointment. The following page provides information on conducting research in the Morgan's Reading Room:

## DETAILED COLLECTION INFORMATION

### Biographical note

Herbert Livingston Satterlee (1863–1947, here abbreviated HLS) married Louisa Pierpont Morgan (1866–1946), the eldest of the four children of Pierpont Morgan's (1837–1913, here abbreviated JPM).

### Scope and content

These papers relate to Satterlee's research for his affectionate biography of his father-in-law, published in two versions: *The Life of J. Pierpont Morgan* (privately printed, 1937), and *J. Pierpont Morgan: An Intimate Portrait* (Macmillan, 1939). They include letters, reminiscences by those who knew Morgan, copies and transcriptions of primary material, clippings, subject files and several versions of the typescript of the biography. Photographs used for the biography have been transferred to archives photograph series and cataloged individually. Note that the 1937 edition of Satterlee's book includes many more photographs from Morgan's early years.

### Preservation note

Numerous brittle clippings will require photocopying onto acid-free paper.

### Related material

ARC 1306, R. Gordon Wasson. Hall Carbine Affair Papers, contains a group of news clippings and reviews of Satterlee's biography collected by Wasson from a clippings service. ARC 1220 is a collection of Satterlee family papers.

Descriptions of additional material related to Herbert L. Satterlee are available in CORSAIR.
