

The image shows the interior of the Morgan Library & Museum. The ceiling is a masterpiece of decorative art, featuring a central fresco of a seated figure writing, flanked by two circular medallions of seated figures. Above these are triangular pinnacles with figures on clouds. The entire ceiling is framed by intricate geometric and floral patterns. The walls are lined with dark wood bookshelves filled with books, separated by glass-fronted cabinets. A large, ornate chandelier hangs from the ceiling. In the foreground, two small wooden tables with glass tops hold open books. A doorway in the center leads to another room with red curtains.
