National melodies

Venetian Air -

When first that smile

When first that smile

3/4  
from  
"Burton  
Sally"

When first that smile, like sunshine, lepid my sight, Oh! what a vision then came

see me, long years of love, of calm and pure delight seen in that

smile to hap be: fore me. Heer did the peasant dream heer dream of summer

4

9

Thies, of golden fruit, and harvests springing, with fonder hope than

3

I of those sweet eyes, and of the joys their light was bringing.

*ritardando*

*colla voce*

*Tempo mod*

4

5

6

Where now are all those fondly promised hours? Oh woman's faith is like her  
as before

2

*brightness,* Fading as fast as rainbows, or Day & flowers, or any thing of grace &

*brightness* shoot as the Persian's prayer his prayer at close of day, must

be each vow of love's me: beating - Quick let him worship

beauty's precious rays, Even while he kneels, that ray is fleeting!

*As before*
